Now what?

Check out the next page!

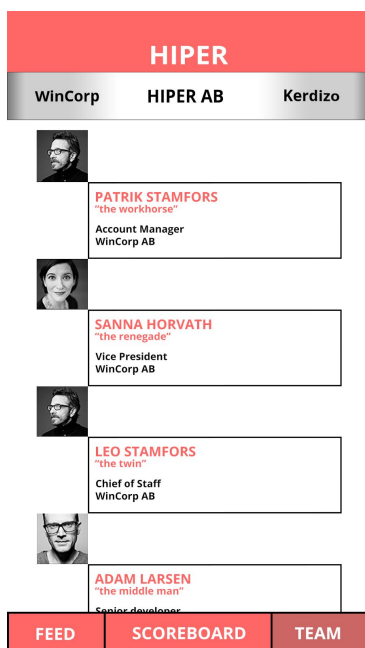

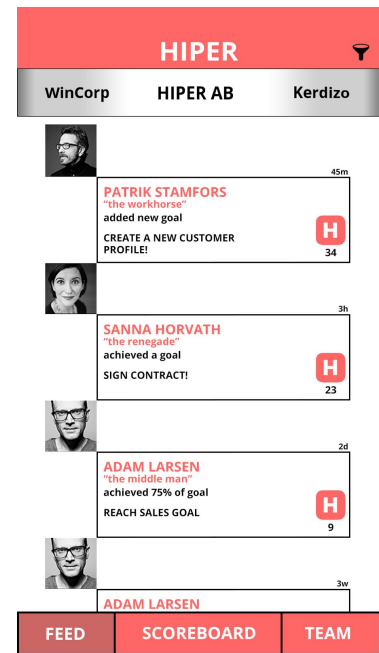

HIPER has 3 main views. FEED, TEAM and SCOREBOARD

FEED

The FEED view shows the latest news about goals in your team. You can HIPE a goal by pressing the “H”. It is the perfect combination of a like and a pepp.

If you have joined many teams, you can change the team in the top of the screen.

TEAM

These are your team members.

SCOREBOARD

This is where you see all your goals, manage your goals and set new.

How do I set a goal?

Click the empty slot and change page.

GOAL!

Describe your goal, set type of goal and set a deadline.

GOAL

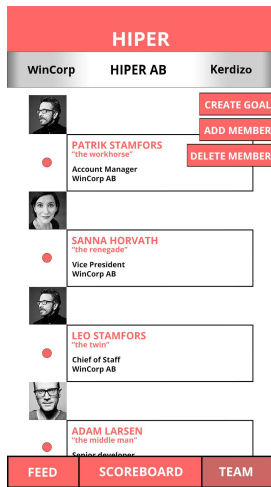

BOOK MEETING WITH RICHARD	DESCRIPTION..
succeed / fail number	799 10 000 000
no repeat 1 day 1 week 1 month	2016-01-01
HIPES 23	active cancel achieved didn't achieve
SAVE	ABORT

That's it, the goal you just saved will show in the feed you share with your colleagues. When you are closing in on the deadline, changing the status or when you achieved the goal, it will show up in the feed again.

Setting goals makes you more efficient. Being part of a team makes you more motivated. In HIPER you set goals in a team environment.

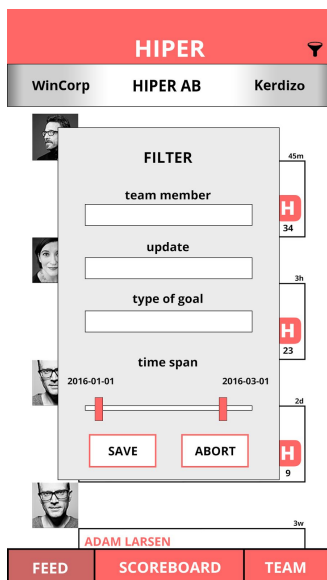

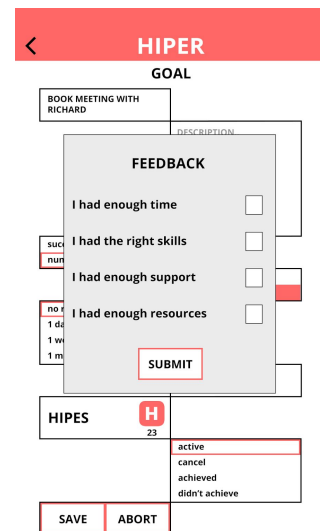

Are you the team manager?

Then you have some additional options.

Set shared goals on several team members or private goals with just one.
